Sir:

The references cited on attached form PTO/SB/08A are being called to the attention of the Examiner. Copies of cited references BA and CA are attached.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(h), no inference should be made that the information and references cited are material to patentability. Also, no inference should be made that a reference is prior art merely because it is included in this statement.

Under 37 CFR §1.97(g), the submission of an information disclosure statement should not be considered as representation that a search has been made.

The present Information Disclosure Statement is being filed to submit for consideration the International Search Report (ISR) in corresponding PCT Application PCT/US03/00756. While the references of the noted ISR were previously submitted for consideration, as well as the ISR itself (the ISR was submitted in an IDS dated April 14, 2004 though not listed on the PTO 1449 form), applicants are desirous of providing Examiner additional information which may be helpful to the Examiner.

In column T<sup>6</sup> of the attached PTO/SB/08A form, "EN" is entered where the cited reference is in the English language, "AO" is entered where the reference is not in English but a translation of the Abstract only is included, and "FT" is entered where the reference is not in English but a full text English translation is included.

Applicants believe a fee of \$180.00 is required with this submission. The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0289.

Dated: November 20, 2007
